Cranberry Loaf
by: Laura Crotty

The Little Vegan Dessert Cookbook makes a great gift!

INGREDIENTS
serves 12
2 cups all-purpose flour, sifted
1 cup coconut sugar
1 ½ teaspoons baking powder
1/2 teaspoon baking soda
1 teaspoon salt
1/4 cup coconut oil
1 tablespoon ground flax seeds mixed with
3 tablespoons water
1 teaspoon grated orange peel
3/4 cup orange juice
1 ½ cups raisins

INSTRUCTIONS
1. Preheat the oven to 350 degrees. Grease a 9x5x2-inch loaf pan.
2. Sift the flour, sugar, baking powder, baking soda and salt together in a large bowl.
Cut in the coconut oil and stir until the mixture is crumbly.
3. Combine the remaining wet ingredients and add to the dry mixture; mix until flour is moistened.
Fold in the fruit.
4. Scoop batter into loaf pan and bake for 50 minutes or until a toothpick inserted in the middle comes out clean.
5. Cool completely before slicing.
**INGREDIENTS**

**WELLINGTON**
- 12 oz mixed mushrooms (portobello, lion's mane, shitake, button) mushrooms stalks trimmed and cleaned
- 1 cube No-beef bouillon cube or paste (1 cube or 1 tbsp)
- 3 large sweet onions peeled and chopped
- 3 tbsp olive oil
- 10 1/2 oz baby spinach
- 4 sprigs thyme leaves picked
- 1 package vegan puff pastry
- 1 tbsp dijon mustard
- 1 tsp powdered sage
- salt and pepper to taste

**VEGAN EGG WASH**
- 1 tbsp aquafaba (chickpea water)
- 1 tbsp Oatly Full Fat Oat Milk
- 1 tsp olive oil
- 1/2 tsp maple syrup

**INSTRUCTIONS**

1. Place a large frying pan over a low to medium-low heat. Add the 1/2 tbsp of olive oil followed by onion and reduce heat to low. Season with sage, bouillon, salt and pepper and cook, stirring occasionally, for 15 to 20 minutes, until the onions are golden.
2. Remove the onions from the pan and return the pan to the heat. Add the baby spinach and cook until wilted. Remove the baby spinach from the pan and set aside.
3. Increase the heat to medium/high and return the pan to the heat. Add the remaining olive oil and place the mushrooms, top side down. Cook until lightly golden (about 5 minutes) before turning over and cooking for a further 5 minutes or until golden. Remove from the heat, and drain on a paper towel- top side up as they will release liquid as they cool. Transfer the onions, spinach and mushrooms to the refrigerator and cool completely.
4. Preheat the oven to 390 Fahrenheit. Place a sheet of baking paper on the baking tray and then place the puff pastry sheet on top. Spread half the caramelised onions over the middle third of the pastry, making sure to leave an extra (¾ inch) border at the edge of the pastry. Top with half of the baby spinach. Spread the dijon mustard over the mushrooms and season well with salt and pepper. Place the mushrooms on top of the spinach. Top the mushrooms with thyme and the remaining baby spinach and onions.
5. Very carefully roll the pastry over the top of the mushroom mixture until you have a log. Press down to seal the edges. Roll over the log so that the seam is facing the bottom.
6. To make the vegan egg wash, whisk all of the ingredients together in a bowl. Very lightly coat with the vegan egg wash. Place the pastry in the freezer for 10 minutes before repeating with another layer of vegan egg wash and freezing the pastry for a further 10 minutes.
7. Place the pastry back on the baking sheet and tray and place in the oven for 30 to 35 minutes, or until golden and flakey.
**Winter Garden Feta Bruschetta**
by: Virgin Cheese

**INGREDIENTS**

- Arugula - one big bunch, rinsed, spun dry and chopped fine
- Tomatoes - any variety, about a cup, rinsed and diced into small pieces
- 2 + Tbsp of olive oil
- 1 + Tbsp of balsamic vinegar, standard or infused with fig, cherry, etc
- 2-3 cloves of pressed garlic
- Virgin Cheese Feta - about a half round or 2-3 ounces
- 1/2 tsp pink Himalayan salt

**INSTRUCTIONS**

1. Add tomatoes to arugula, add the olive oil and balsamic, minced fine or pressed garlic cloves and salt and stir to combine. Adjust oil/vinegar so the mixture is shiny and well dressed.
2. We prefer it with strong garlic flavor. Fold in chunked Feta cheese.
3. Adjust salt to taste (the Feta adds salt, richness and body).
4. Spoon bruschetta onto the best bread or toast. (Also great on pizzas and a fabulous holiday side with the green and red theme!) Bon Appetit!

Optional:
- fold in 1/4 C of toasted, chopped walnuts
- fold in a few tablespoons of chopped spinach and/or basil
- drizzle with balsamic reduction before serving

Sweet Potato Casserole
by: Laura Ball

INGREDIENTS

3 large or 5 medium sweet potatoes
2/3 cup coconut milk
1 can organic pineapple rounds (reserve juice).
2 tbsp maple syrup
2 cups brown sugar or coconut sugar
1/2 cup chopped pecans
5 tbsp your choice: almond butter, tahini, oil, buttery spread,
1 tbsp salt and pepper to taste
1/2 tsp cinnamon
1/4 tsp powdered ginger
optional pinch nutmeg
2-3 cups Dandies marshmallows

INSTRUCTIONS

1. Preheat the oven to 425 degrees. Dice sweet potatoes into cubes (size is up to you- the smaller, the faster they will cook!)
2. In a mixing bowl, mix the flour, brown sugar and spices (cinnamon, salt and pepper, ginger, nutmeg) and pecans. Cut in butter. Mix in pineapple juice reserve from the can, add in diced sweet potatoes and mix together until equally distributed.
3. Grease a casserole dish with vegan butter. Add in potato mixture, cook for 45 minutes to an hour, stirring every 15 minutes.
4. Stick potatoes with a fork and make sure they’re done. Once they are, place your Dandies marshmallows on the top and place back in the oven. I prefer to do a light broil, but if you do this- be sure to not take your eye off the casserole. It should only take a minute or two. Otherwise, place in a warmed oven until marshmallows are browned to your liking.
5. Serve hot. Leftovers can be covered and refrigerated 3-4 days.
Minimize your time in crowded supermarkets this holiday season by quickly getting your Vegan table needs met on GTFO it’s vegan.
